Hi Lisa and Olivia,

I wanted to share one item of clarification and one question. Marcus serves as the New Jersey State Conference NAACP Environmental & Climate Justice Chairman and the New Jersey Progressive Equitable Energy Coalition Chairman. Nicole reached out to Marcus at his New Jersey NAACP Environmental & Climate Justice email address and expressed your interest in meeting with him in his role with the NAACP. However, Marcus has stated that he intends to meet with you in his capacity with the New Jersey Progressive Equitable Energy Coalition (NJPEEC), of which the NAACP is part of this collective. I wanted to make sure this is ok with you.

We had decided to invite Marcus to 290 Broadway at 11am to discuss NAACP (now NJPEEC) priorities and then have Curtis Fisher join the conversation at 11:30am for a working lunch. Marcus has now shared that he would like the two meetings to occur on different days. His preference is for him and Curtis to meet you both in person for the working lunch on March 27 and then schedule a Zoom call on a different day to discuss NJPEEC. Please let us know if this is ok with you or if you would like us to suggest a different approach.

Thank you,
Nikki

Good afternoon and thank you for the email. And just as a quick clarification, I serve as the Chairman NJPEEC, and the NAACP is a part of this collective of Black and Brown leaders/organizations, working to ensure that entities in New Jersey from governmental departments/officials to developers incorporate equitable practices into their policies and practices. So the meeting would be in the capacity of NJPEEC, as that organization can participate in the aforementioned grant opportunities, etc.

Secondly, I was hopeful to schedule two different meeting days, because logistically it wouldn't be possible for me. So I will reach out to my manager Curtis to see if he is available to meet on March 27th so that there can be a working lunch with NWF that day. We can then schedule a zoom with NJPEEC on another day.

Good morning Marcus,

I have an update regarding your request to have Executive Director Curtis Fisher join the meeting.

RA Garcia and Chief of Staff Glenn would like to meet with you regarding NAACP from 11-11:30AM on March 27 at our location. They would then welcome Curtis joining at 11:30AM if you would like to have a working lunch to discuss the National Wildlife Federation until about 12:30PM.

Please let us know if this works for you and Curtis.

Thank you,
Nicole

Hi Marcus,

We are checking with RA Garcia and Chief of Staff Glenn regarding your additional request and will get back to you.

For now, Lisa and Olivia would love to meet in person and welcome you to the EPA Region 2 Offices at 290 Broadway, New York, NY. Would an in-person meeting at our location on Monday, March 27 work for you? We have availability from 11am-12pm or 1pm-2pm. Please let us know what time works for you and if you are able to meet in person at our office.

Thank you,
Nicole

Hello once again Nicole et al, I wanted to share that I'm also the NY/NJ/CT Director of Conservation Partnerships for the National Wildlife Federation, and my Regional Executive Director Curtis Fisher and I would also love to check-in with Administration Garcia and Chief of Staff Glenn as well. We're currently working in New York on the passage of legislation with major climate change and equity implications both regionally and internationally (the NY Tropical Forest Deforestation-Free Procurement Act), as well as other EJ focused initiatives that we'd like to share. My apologies for the additional request, but would you be able to send us this check-in request to sibleym@nwf.org and fisherc@nwf.org? Much appreciation for your assistance.

Good afternoon Marcus,

In an effort to connect as the new year commences, EPA Region 2 Regional Administrator, Lisa Garcia, and Chief of Staff, Olivia Glenn, would like to set up a meeting with you as an annual check-in to touch upon your organization's priorities for the upcoming year. They would also like to share EPA priorities and updates on Justice40 and exciting new environmental justice grants. The meeting can take place virtually, which would allow for more flexibility, or in person, as we would be happy to welcome you to our office located at 290 Broadway in New York City or travel to your office. It would be helpful if you would identify multiple times that work for you to set up a meeting during the week of March 27th, on April 17th and 18th, April 24th and 25th, or during the week of May 1st. Please provide your availability at your earliest convenience.

Thank you,
